The locality in which the operations of the Society will be chiefly carried on is Greater Prince George, Province of British Columbia.

Given under my hand and seal of office at Victoria, Province of British Columbia, this seventh day of March, one thousand nine hundred and sixty-six.

[L.S.]

A. H. HALL,
Registrar of Companies.

The objects of the Society are:—

1. To promote, manage, maintain, carry on, and conduct Christian schools:

2. To provide, direct, advise on, and carry out a curriculum of Christian education, at least equivalent to that of its counterpart furnished in the public school, based upon the Scriptures of the Old and the New Testaments, which we believe to be the word of God, as they are thus confessed in the historic creeds of the Reformation (cf. e.g., Articles 3-7, Belgic Confession) (see Appendix for a reprint of these articles); this article is unalterable:

3. Educational Creed: Believing that the Lord God, by graciously giving us the Scriptures, has revealed to His people certain basic principles intensely relevant to education, we confess:—

(1) *Life*.—That since human life in its entirety is religion, God summons men to serve Him everywhere and requires that we educate our children in the fear of the Lord.

(2) *Bible*.—That the Bible is the written word of God, the truth that enlightens our understanding, the power that directs our lives, and the infallible authority that governs all our activities, including the education of our children. In revealing that the world in its origin, gracious preservation, and ultimate restoration is the work of God and that the glorification of His name is the purpose of creation, the Scriptures provide us with the key to the knowledge of God, ourselves, and the world.

(3) *God and Creation*.—That since God, who created all things by His word and spirit, constantly reveals His wisdom and power in the cosmos and exercises His dominion everywhere, we can rightly understand the world only in its relation to the Triune God.

(4) *Man*.—That man was created in the image of God to enjoy covenantal fellowship with his Creator, and was instructed to exercise dominion over the world in strict and loving obedience to God, to interpret all reality in accordance with His design and law, and to reflect in his person and works the excellencies of his Maker.

(5) *Sin*.—That man, by disobeying God's law and forsaking his office, estranged himself from God and his neighbour and brought God's curse upon the creation. As a result, fallen man has become blind to the true meaning of life and misuses and represses the knowledge of God which confronts him in creation and in Scripture.

(6) *Christ*.—That the Christ of the Scriptures, the Word of God incarnate, reconciles the world to God, redeems our life in its entirety, restores our fellowship with God and the neighbour, and renews our mind to know rightly God, ourselves, and the world in which we live.

(7) *The Kingdom of God*.—That the Kingdom of God established the rule of Jesus Christ over all things and makes education and science possible and meaningful. Since we must subject every thought in obedience to Christ, we therefore reject every attempt to withdraw any aspect of life from the divine commandment to love the Lord with all our heart and mind.

(8) *Purpose of Education*.—That the purpose of Christian education is to direct and guide the child to commit his heart to Christ the Truth, to attain to understanding, wisdom, and righteousness, and to perform his competent and responsible service of the Lord.

(9) *Parents*.—That God has given parents the responsibility to nurture and educate their children. In order to fulfil their educational task, parents should establish Christian schools.

(10) *The Christian School*.—That the school, established and controlled by an association of Christian believers in accordance with legitimate standards and provisions, possesses the freedom to function in the field of education in complete and voluntary submission to the Kingship of Christ.
